RALPH ERNEST D. HULGUIN

Aspiring Network Administrator

Email: tomiok4san17@gmail.com | Phone: 09276066228
GitHub: github.com/Nest2005

CAREER OBJECTIVE

Fourth-year BS Information Technology student seeking an entry-level network administrator position. I aim to apply my knowledge of networking, databases, and programming to keep systems running reliably, and to grow through hands-on experience in a professional IT team.

EDUCATION

Bachelor of Science in Information Technology | Expected graduation: March
Cebu Eastern College, Inc.
On-the-job training: scheduled for 2nd semester, A.Y. 2026–2027

Senior High School | TVL-HE strand
ACT School

TECHNICAL SKILLS

Networking: TCP/IP, Subnetting, VLANs, Cisco Packet Tracer
Operating Systems: Windows Server, Linux
Programming Languages: C, C++, C#, Java, PHP, JavaScript
Web Development: HTML, CSS
Database: MySQL

ACADEMIC PROJECTS

- **FoodHub** – Food ordering website similar to FoodPanda or GrabFood, covering Cebu City only.
- **NewsPHCH** – News website sharing information about the conflict between the Philippines and China.
- **CEC Computer Logbook** – Digital logbook for the BSIT computer laboratory, replacing the handwritten sign-in sheet.
- **Teacher and Student API** – Website that retrieves student and teacher data through an API, converting it to JSON using GET and POST requests.
